

### **Draw info**

#### **Attention all riders- please print the draw as no program will be provided on the day.**

Draws act as programmes, there will be no need to 'check in' when you arrive, it is the responsibility of riders to be at their allotted rings in time for their events.

Please read Werribee Park Equestrian Centre rules and conditions

All competitors owing money need to pay in correct cash in the morning (We won't have any change).

This event is run by *Victorian eventers* for *Victorian eventers*, it would be greatly appreciated if you can pitch in and help particularly with SJ set up. SJ building will commence at 8:15am, so if you have a late time or can go without a helper for half an hour please come over and give some assistance. Also we will require help to build courses between classes and pick up rails all day. Our advice- don't take rails! ;-)

We would also love help in the office or running dressage tests if you have a few spare minutes- You will meet new people and get home earlier if we all pitch in!

All show jumping courses are open for walking 15 mins before the commencement of the class Intro, prelim and pre novice classes also have scheduled time for course walking during the classes please see your draw for more details

Further, whilst every effort has been made to allow riders with multiple rides adequate time it may be quite tight, we have a lot of riders to get through, please do your best to be on time and we will too. However for show jumping classes riders with multiple rides are allowed to ride out of order where required.

We have allowed ample amount of time between tests to be prepared to ride early Draw enquiries to Simon Tainsh (0429 125 313) and Samantha Cesnik (0403 283 154).
